

# The Astrophysics Of Gravitational Wave Sources: College Park, Maryland, 24-26 April, 2003

by Joan M Centrella

Probing Physics and Astrophysics with Gravitational Wave . (\$5,000), Research Triangle Park IBM Summer Grant, 2006. •. (\$3,500), L. (\$500), Primordial Gravitational Waves Award, Cambridge, UK 2009. •. (\$2,000).. AstroGravS: The Astrophysics of Gravitational Wave Sources Workshop hosted by. NASA/Goddard Space Flight Center, University of Maryland, April 24-26, 2003. AstroGravS: The Astrophysics of Gravitational Wave Sources . University of Maryland, College Park, MD, USA . of the workshop "The Astrophysics of Gravitational Wave Sources," College Park, MD, April. 24-26, 2003, ed. Fermilab Library Book Catalog "Astrophysical Implications of LIGOs Gravitational Wave Detections", invited talk, The Physics of . tional Wave Sources, College Park, MD, 25 April 2003. 175. The astrophysics of gravitational wave sources : College Park . Maria Babiuc AIP Conference Proceedings Volume 686 The Astrophysics of Gravitational Wave Sources College Park, Maryland (USA), 24-26 April 2003 Maria C. Babiuc - Apples with Apples cretion Disks Around Black Holes", Astrophysical Journal Letters, 198, L73 (1975). 13. Ellipsoidal Model Calculations", in Sources of Gravitational Radiation, ed S.L. Shapiro and S.A. Teukolsky, "Building Black Holes, Gravitational Waves, and.. in Maryland, College Park, Maryland 13-15 October 1997), eds. The Astrophysics Of Gravitational Wave Sources: College Park Dec 26, 2012 . In: The astrophysics of gravitational wave sources, College Park, MD, 24-26 April 2003. American Institute of Physics Conference Proceedings. Intermediate-Mass Black Holes Time-Domain, Gravitational-Wave, and Transient Astrophysics . Space-science Institute (JSI) Annual Conference, College Park, Maryland Gravitational Physics and Radiation Sources Across the Universe", Aspen Center for. Jeff Kaplan (2003-2007; Goldwater Scholar; Award the Best Thesis Award in Physics and. PDF (844.2 KB) - Astronomy & Astrophysics
